HELENA, MONTANA 59620

Greetings:

Over the past six months, you may have seen some attractive "Made in Montana" labels showing up on your favorite products in grocery stores, sporting goods stores, clothing and hardware stores, and gift shops. The labels are part of a "Made in Montana" campaign that includes public service advertising and trade show exhibits. The idea behind the program, which is administered by the Department of Commerce, is to stimulate consumer awareness of Montana's diverse manufacturing industry. By encouraging a little Montana pride at the cash register, this increased awareness could result in business expansions and more jobs. So next time you're shopping, look for the label. Show your pride. Support the home team.

Sincerely,

TED SCHWINDEN
Governor

STATE TELEPHONE NETWORK (STN) USAGE

State telephones and the State Telephone Network (STN) are provided for the conduct of State business during regular State business hours. Agencies will formulate and adopt policies to restrict the use of State telephones to State business only.

All STN calls are recorded with originating number, time of day, number dialed and length of call.

All in-state and out-of-state calls made on the STN are billed to the initiating party. STN calls are costed as a function of existing Direct Distance Dial (DDD) rates (duration and distance) discounted by the State based on current network costs. Any calls made DDD are billed at the prevailing non-discounted rates.

NETWORK TROUBLE REPORTS

REPORT NETWORK RELATED TROUBLE CONDITIONS TO 444-4455, or 444-2586.

SERVICE ORDERS FOR HELENA AGENCIES

TELEPHONE SERVICES REQUEST forms are required for installation, modification, relocation, removal or other changes to your service and should be submitted to the Communications Division at least 30 days prior to date of change. Forms are available from Property and Supply, 930 Lyndale, Helena, MT. 59620.
